

Parklands Drive and Engineering Drive intersection works

From 6:30pm Thursday 10 January to 5:00am Monday 14 January 2013, the intersection of Parklands Drive and Engineering Drive, Southport, will be partially closed.

Construction crews will work around the clock to prepare the intersection for tracklaying during the quieter weekend traffic period.

Traffic changes:

- Partial closure of the Parklands Drive and Engineering Drive intersection.
- There will be no access to Engineering Drive from Parklands Drive (see map 1).
- Through traffic will be maintained along Parklands Drive.
- Parklands Gold Coast access will be maintained.
- Vehicle access to Griffith University from Parklands Drive will be via University Drive and Alumni Place.
- Pedestrian access routes will be maintained around the construction area.

What to expect:

- Construction crews will work from 6:30pm Thursday 10 January to 5:00am Monday 14 January to ensure the intersection is re-opened to motorists by 6:00am.
- Construction will include excavation and installation of underground services.
- Heavy machinery, such as excavation and crane movements to facilitate construction activities.
- Construction noise, dust and vibration at times. Every effort will be made to minimise these
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare.

Timing of this work is subject to weather conditions and construction constraints.

We apologise for any inconvenience and thank you for your patience during construction.
