

## Weekend closure of Young and Scarborough Street intersection, Southport Friday 23 August to Monday 26 August

Between Friday 23 August at 7:00pm and Monday 26 August at 5:00am the intersection of Young and Scarborough Streets in Southport will be partially closed to traffic.

This work is to construct a storm water pit and connect underground stormwater pipes.

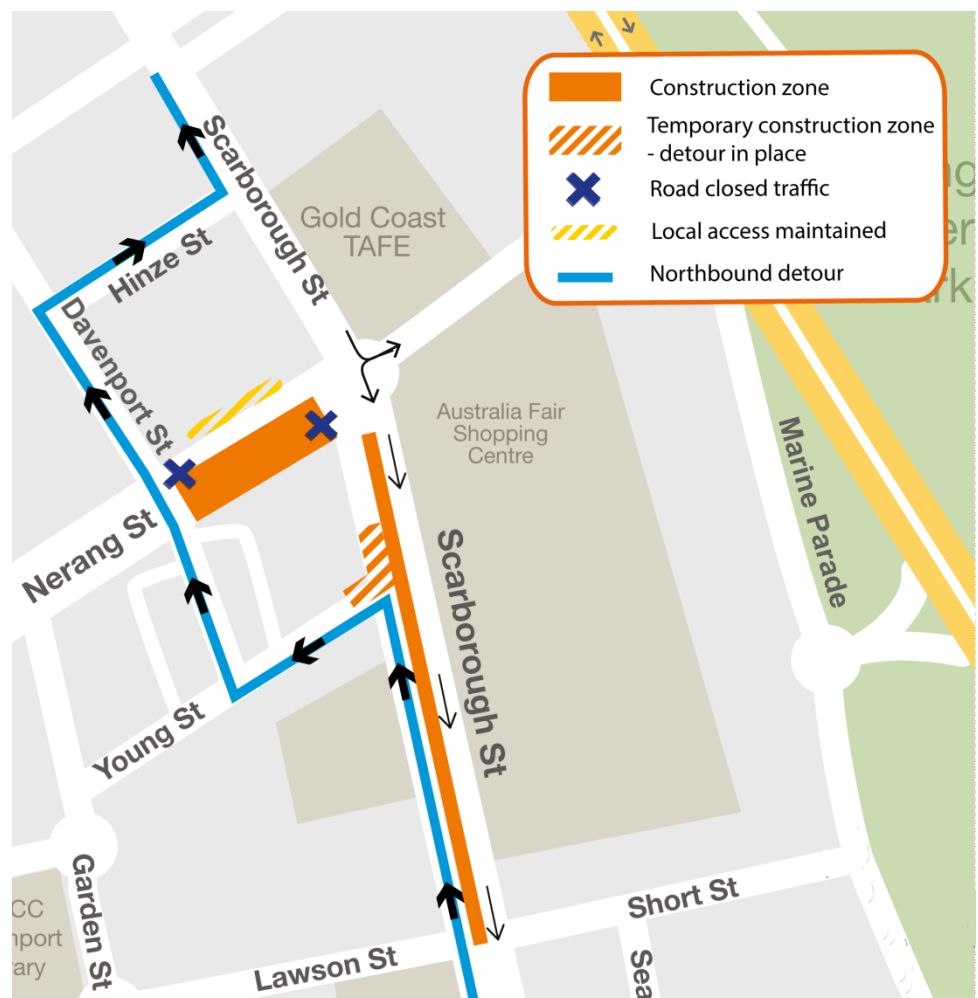

Southbound traffic on Scarborough Street will not be affected.

Northbound traffic on Scarborough Street will detour via Young and Davenport Streets to Hinze Street.

Construction work will occur day and night to enable this busy intersection to reopen on time.

### Traffic changes:

- Scarborough Street will be closed to northbound traffic at Young Street. (see map).
- Traffic will still be able to turn left into Young Street.
- Traffic will not be able to turn left from Young Street into Scarborough Street.
- Pedestrian access will not be affected.
- Bus timetables will not be affected.

Detour at the intersection of Young and Scarborough Streets, Southport

### What to expect:

- Traffic controllers will guide motorists.
- Construction noise and machinery.
- Some night construction noise.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Timing of this work is subject to weather conditions and construction constraints.
