

## Smith Street night closures

From Thursday 31 January 2013, there will be occasional east and westbound night time lane closures of the Smith Street Motorway from 7:00pm to 5:00am. This is to pour concrete decks, install drainage and build parapet walls on the Smith Street bridge.

For the safety of motorists while work is carried out overhead, partial and full closures will be required at various times for approximately six weeks.

### Traffic changes:

- Full and partial closures of the east and westbound lanes of the Smith Street Motorway between Olsen Avenue and Wardoo Street as required. Detours via Parklands Drive, Olsen Avenue and Wardoo Street will be available.
- Access to Parklands Drive from the Smith Street Motorway may be restricted. Access to Parklands Drive will be available via Olsen Avenue.
- Temporary closures of the pedestrian and cycle track on the southern side of the Smith Street Motorway during lifting operations. What to expect:
  - Work will occur between 7:00pm and 5:00am Sunday to Thursday.
  - Detours will be signed and traffic control will be in place.
  - Heavy machinery and crane movements to facilitate construction activities.
  - Temporary footpath closures, alternative routes will be signed.
  - During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
  - Speed limits will be reduced around work areas.
  - Occasional single lane closures of the Smith Street Motorway occurring in each direction will continue during the day from 9:00am to 3:00pm.
  - Timing of this work is subject to weather conditions and construction constraints.

We apologise for any inconvenience and thank you for your patience during construction.
