

Elizabeth Avenue intersection works

From Monday 25 February 2013, GoldLinQ will begin underground services upgrades, installations and traffic signal works across Elizabeth Avenue, Broadbeach. These works are anticipated to take 18 weeks to complete, weather permitting.

To facilitate construction the Elizabeth Avenue Gold Coast Highway intersection will be closed for six weeks.

Traffic changes: Phase 1 (6 weeks)

- Elizabeth Avenue Gold Coast Highway intersection will be closed.
- Northbound and southbound detours will be available via Victoria Avenue.
- Temporary single lane closures may occur northbound and southbound on the Gold Coast Highway between 7:00am and 5:00pm.
- Reduced Elizabeth Avenue speed limit to 50 km/h.
- Reduced Gold Coast Highway speed limit to 60 km/h.
- Pedestrian access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.
- Traffic signals will be switched off.

What to expect:

- Installation of safety barriers and fencing to contain the construction area.
- Heavy machinery, such as excavation and crane movements to facilitate construction activities.
- Construction noise, dust and vibration at times. Every effort will be made to minimise these impacts.
- The majority of construction work will be carried out between 6:30am and 6:30pm, Monday to Saturday.
- Timing of this work is subject to weather conditions and construction constraints.

We apologise for any inconvenience and thank you for your patience during construction.

Traffic changes: Phase 2 (12 weeks)

- Elizabeth Avenue Gold Coast Highway intersection will be left in left out only.
- Temporary single lane closures may occur northbound and southbound on the Gold Coast Highway between 9:00am and 3:00pm.
- Reduced Elizabeth Avenue speed limit to 50 km/h.
- Reduced Gold Coast Highway speed limit to 60 km/h.
- Pedestrian access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.

Night works:

- Night works will be required as part of these works to minimise the impact on businesses, pedestrians and traffic. Affected businesses and residents will be notified in advance of night works.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.

Parking during construction:

- No parking is available on either side of the Gold Coast Highway.
- Short term parking on Elizabeth Avenue is still maintained.
- Taxi zone is still maintained.
- Bus zone maintained however shuffled several metres to the north and south.
- Loading zone maintained however will be shuffled several metres to the north and south.

We apologise for any inconvenience and thank you for your patience during construction.
