

## Smith Street night closures

**Additional east and westbound night time lane closures on the Smith Street Motorway from 8:00pm to 5:00am are required in coming weeks.**

**For the safety of motorists while parapet walls are painted and work overhead is carried out, partial and full closures will be required at various times.**

### Traffic changes:

- On Tuesday 21 May 2013, partial closure of the eastbound lane of the Smith Street Motorway between Olsen Avenue and Parklands Drive is required.
- On Thursday 23 and Friday 24 May and from Sunday 26 to Thursday 30 May 2013, full closure of the east and westbound lanes of the Smith Street Motorway between Olsen Avenue and Parklands Drive is required. Detours via Parklands Drive and Olsen Avenue will be available (see map).
- Occasional single lane closures of the Smith Street Motorway occurring in each direction will continue during the day from 9:00am to 3:00pm.

### What to expect:

- Detours via Parklands Drive and Olsen Avenue will be available.
- Temporary closures of the pedestrian and cycle track on the southern side of the Smith Street Motorway during lifting operations.
- Work will occur between 8:00pm and 5:00am Sunday to Friday.
- Detours will be signed and traffic control will be in place.
- Heavy machinery and crane movements to facilitate construction activities.
- Temporary footpath closures, alternative routes will be signed.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Speed limits will be reduced around work areas.
- Timing of this work is subject to weather conditions and construction constraints.
