

## Works on View Avenue

**From Monday 29 July 2013, works to install underground services will begin on the corner of View Avenue and Surfers Paradise Boulevard and continue for up to three weeks. Local access to businesses will be maintained at all times.**

### What to expect:

- Installation of safety fencing and hoarding to contain the work area.
- Construction will involve relocating services, below ground, such as gas, water and electricity, and upgrading storm water drainage.
- Construction will involve the use of heavy machinery, including vacuum excavators, to install underground services.
- Construction noise, dust and vibration will occur. Every effort will be made to minimise these impacts.
- Pedestrian access and access to businesses will be maintained around the work site at all times.
- The majority of construction work will occur from Monday to Saturday, 6:30am to 6:30pm.
- Night works will be required as part of these works. Affected businesses and residents will be notified in advance of night works.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.

We apologise for any inconvenience and thank you for your patience during construction.
