

## Gold Coast Light Rail

Week Commencing Monday 12 August 2013

### T is for Trams

The first 'T' traffic lights are being installed across the corridor. 'T' lights are for trams and are similar to the 'B' bus lights. If you see a red 'T' you do not have to stop, this is instructing the tram to stop. A white 'T' is instructing the tram to go. If you see a white 'T' do not try to cross the intersection and wait for the green light.

### Parklands

Track work around Alumni Place and station construction at Engineering Drive continues.

### Depot

Construction on the Council entrance and gatehouse continues.

### Smith Street Bridge

There will be occasional day time lane closures between 9:00am and 3:00pm and on Monday night after 7:00pm on the Smith Street Motorway to allow work on the bridge.

### Southport

#### Queen Street

Between Wardoo and Nerang Streets

Finalising work on the track slab continues and there will be some work around the station area on Sunday morning.

#### Nerang Street

Between Queen and Davenport Streets

Nerang Street Station construction, overhead wire installation and kerbing work continues.

Between Davenport and Scarborough Streets  
Construction of Southport Station continues.

#### Scarborough Street

Between Nerang Street and Australia Fair  
Drainage work continues.

Between Australia Fair and Short Street  
Track will be laid in the centre of the road.

Between Lawson Street and Park Lane  
Kerb and footpath works will continue.

#### Short and Lawson Street intersection

Traffic signal works are nearing completion with the intersection close to reopening to through traffic.

#### Between White Street and Queen Street

Construction of Southport South Station and track laying continues.

#### Queen Street

Near the Croquet Club

Drainage work and station construction continues.

#### Barney Street

A crane at the end of Barney Street will be used to lift deck units on Monday and Tuesday nights. It will then be dismantled during the week. There will be semi trailer deliveries on Tuesday night. All driveway and pedestrian access will generally be maintained. Track laying preparations continue.

### Nerang River

#### Shared cycle and pedestrian bridge

Pedestrian and cycle access under and over the Nerang River bridge will be maintained during construction of the pedestrian and cycle bridge. Headstock construction and concrete works will continue.

#### Nerang River Bridge Lane Closures

The northbound lanes of the Nerang River Bridge will be closed on Monday and Tuesday nights to allow headstocks to be lifted on the light rail vehicle bridge. One lane in each direction will be maintained.

\*Free call within Australia. Call charges may apply from mobile phones and payphones.

### Nerang River Barge movements

The barge Leonora will be in a central position in the river. Mariners are advised to obey speed limits, buoys and signs. Details are available on the [Maritime Safety Queensland website](#).

## Paradise Waters

### Admiralty Drive

Installation of street lighting and kerbing continues. Night works to install underground services will occur early in the week at the Admiralty Drive intersection. Temporary lane closures will occur and traffic access into and out of Paradise Waters will be maintained at all times.

### Macintosh Island South Bridge

Steel installation and concreting for headstock construction continues. Access for vessels under the bridge will be maintained however short delays may occur.

## Surfers Paradise

### Ferny Avenue to Main Beach Parade

Piling, underground services and track form preparation continue on Surfers Paradise Boulevard and on the Gold Coast Highway. Underground services work continues at the Gold Coast Highway. Night and weekend works will be required throughout this area.

## Gold Coast Highway Traffic Diversions

The Gold Coast Highway is closed to all southbound traffic from the intersection of [Ferny Avenue to Ocean Avenue](#) with traffic diverted to Surfers Paradise Boulevard.

## Gold Coast Highway Night Works

Works to install track and finalise underground service installations at the intersection of Gold Coast Highway (Ferny Avenue) and Surfers Paradise Boulevard will take place next week from Monday to Friday, 6:30pm to 6:30am.

## Ocean Avenue to View Avenue

Underground service and track form preparation continues. The [intersection of Staghorn Avenue and Surfers Paradise Boulevard](#) will remain closed to all east-west traffic. Some night works will be required.

Works to finalise underground service installation at Ocean Avenue will take place next week from Tuesday 13 August to Friday 16 August 2013. During this time Ocean Avenue will be west-bound only from the Esplanade to the Gold Coast Highway. Local access will be maintained, however points of access may change. Please drive to the conditions.

## Elkhorn Avenue to Cavill Avenue

Surfers Paradise Boulevard is now open to southbound traffic. Footpath, drainage, landscaping and station works will continue. Night works to complete underground service installations on the corner of Elkhorn Avenue and Surfers Paradise Boulevard, adjacent to Chevron Renaissance, will commence on Sunday 11 August from 9:00pm to 8:00am.

## Surfers Paradise Boulevard Closures

Surfers Paradise Boulevard between [Beach Road and Clifford Street](#) is now closed. Alternative routes and redirections will be signed. Please drive to the conditions.

Keep up-to-date with the progress of Queensland's first light rail and to sign up for updates visit [goldline.com.au](http://goldline.com.au) or call the project hotline on 1800 967 377\*  
\*Free call within Australia. Call charges may apply from mobile phones and payphones.

### Cavill Avenue to Beach Road

Night works to install underground services will continue this week from 6:30pm to 6:30am, Monday to Friday. Please drive to the conditions as points of access and temporary lane changes will occur.

### Beach Road to Trickett Street

Hanlan Street is now closed to all east and westbound traffic. For access to Hanlan Street, including Centro Shopping Centre, please use the Esplanade. Works to install track at the intersection will commence. Access into Beach Road will be maintained.

Night works to complete underground service installations at the Trickett Street intersection will take place from mid-week from 6:30pm to 6:30am.

### Trickett Street to Clifford Street

Night works to prepare for track installation will take place from 6:30pm to 6:30am Monday to Friday.

Night works to complete underground service installations at the Laycock Street intersection will take place from mid-week from 6:30pm to 6:30am. These works will take place within the construction area.

### Clifford Street Intersection

Works to finalise underground service installations at the intersection and install new traffic signals has commenced. Traffic control will assist motorists and pedestrians.

### Clifford Street to Thornton Street

Southbound lanes between Clifford and Thornton Street have reopened. Works to finalise underground services, traffic signals, footpaths, landscaping and station works continues.

From Monday 12 August 2013, Enderley Avenue will be closed to traffic at Surfers Paradise Boulevard for up to two weeks to facilitate finishing works. Finishing works include the construction of asphalt, footpaths, kerbing and landscaping.

### Broadbeach

#### Gold Coast Highway

Finishing works continue along the Gold Coast Highway from Aubrey Street to Second Avenue with periodic lane closures at off peak times. Traffic signal works will continue along the highway with periodic lane closures to occur.

#### Elizabeth Avenue

Underground services and track form preparation works continue on the western side of the highway.

#### Margaret Avenue

Night works to upgrade and install underground services continue along the Gold Coast Highway from Margaret Avenue towards the Beach Hotel. Periodic slow lane closures of the Gold Coast Highway will occur.

#### Victoria Avenue

On Monday 12 August from 6:30pm to 6:30am underground services works will occur near Victoria Avenue. Temporary lane closures for Victoria Avenue will be in place from 9pm and detours will be signed.

**Timing of these works is subject to weather conditions and construction constraints.**
