

Surfers Paradise Boulevard Road Closure Laycock Street to Clifford Street

From Monday 4 November 2013, Surfers Paradise Boulevard will be closed to all southbound traffic from Laycock Street to Clifford Street for up to one week to complete drainage and asphaltting works.

Traffic changes:

- Surfers Paradise Boulevard will be closed to all southbound traffic from Laycock Street to Clifford Street (see map).
- Southbound traffic will be diverted to Trickett Street or Laycock Street to return to Surfers Paradise Boulevard via Hamilton Avenue.
- The intersection of Clifford Street and Surfers Paradise Boulevard will be closed to all westbound traffic (see map).
- Pedestrian access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.
- Please drive to the conditions at all times during construction as points of access, temporary closures and changes to traffic flow will occur.

What to expect:

- Installation of safety barriers and fencing to contain the construction area.
- Heavy machinery, such as vibration rollers, to facilitate construction activities.
- Construction noise, dust and vibration at times. Every effort will be made to minimise these impacts.
- The majority of construction work will be carried out between 6:30am and 6:30pm, Monday to Saturday.
- Timing of this work is subject to weather conditions and construction constraints.

Night works:

- Night works will be required as part of these works to minimise the impact on businesses, pedestrians and traffic. Affected businesses and residents will be notified in advance of night works.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
