

Surfers Paradise Boulevard Road Closure Palm Avenue to Cypress Avenue

From 6:00am Wednesday 4 December 2013, Surfers Paradise Boulevard will be closed to all southbound traffic between Palm Avenue and Cypress Avenue for up to three days to complete construction of the roadway, track and station.

Traffic changes:

- Surfers Paradise Boulevard will be closed to all southbound traffic from Palm Avenue to Cypress Avenue (see map).
- Southbound traffic will be detoured to the Gold Coast Highway at Palm Avenue or the Esplanade at Staghorn Avenue to return to Surfers Paradise Boulevard.
- Local access for businesses and residents, including Quarterdeck Apartments, will be maintained via Palm Avenue (see map). Traffic management will be on site to assist motorists and pedestrians.
- Pedestrian access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.
- Please drive to the conditions at all times during construction as points of access, temporary closures and changes to traffic flow will occur.

What to expect:

- Installation of safety barriers and fencing to contain the construction area.
- Heavy machinery, such as vacuum excavators, to facilitate construction activities.
- Construction noise, dust and vibration at times. Every effort will be made to minimise these impacts.
- The majority of construction work will be carried out between 6:30am and 6:30pm, Monday to Saturday.
- Timing of this work is subject to weather conditions and construction constraints.

Night works:

- Night works and weekend works will be required during the closure.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
