

Gold Coast Highway Final Asphaltting Admiralty Drive to Sundale Bridge

From Monday 24 February 2014, final asphaltting will be undertaken along the Gold Coast Highway progressively from Admiralty Drive to Ferny Avenue intersection.

Temporary lane closures and partial intersection closures will occur each night between 6:30pm and 6:30am as works progress along the Gold Coast Highway.

Intersections impacted by these works will be under police control. These works are expected to take up to two weeks to complete, weather permitting.

Traffic changes:

- Temporary lane closures will occur along the Gold Coast Highway with detours signed and traffic control in place.
- Partial intersection closures will occur progressively with impacted intersections under police control.
- Traffic access will be maintained at all times, however some delays are expected.
- Alternative routes and redirections will be signed. Please drive to the conditions at all times.
- Pedestrian access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.

What to expect:

- Heavy machinery including profilers and rollers to facilitate construction activities.
- Construction noise, dust, vibration and asphalt related fumes at times. Every effort will be made to minimise these impacts.
- The majority of construction work will be carried out between 6:30pm and 6:30am, Monday to Friday.
- Timing of this work is subject to weather conditions and construction constraints.

Night works:

- Night works are required to minimise the impact on businesses, pedestrians and traffic.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.

We apologise for any inconvenience and thank you for your patience during construction.
