

Night works on Surfers Paradise Boulevard

From Monday 10 February 2014, night works to install underground services will begin at the intersection of Elkhorn Avenue and Surfers Paradise Boulevard. Works will take place on all corners of the intersection. Temporary footpath and lane closures may occur, however local access to businesses will be maintained at all times.

What to expect:

- Installation of temporary safety fencing and hoarding to contain the work area at night.
- Construction will involve installing services and constructing pits below ground.
- Construction will involve the use of heavy machinery, including vacuum excavators, to install underground services.
- Construction noise, dust and vibration will occur. Every effort will be made to minimise these impacts.
- Pedestrian access and access to businesses will be maintained around the work site at all times.
- Traffic management will be in place to assist motorists. Please drive to the conditions at all times as points of access will change.
- The majority of construction work will occur from Monday to Friday, 6:30pm to 6:30am.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.

We apologise for any inconvenience and thank you for your patience during construction.
