

Weekly Construction Update #98

Week commencing 3 March 2014

Get Ready, Get Set, Go!

Don't stop on the tram tracks!

When turning at a green light, remain in the traffic lane until other vehicles have passed and watch for trams in both directions.

Do not wait on the tracks for cars to pass. Penalties now apply for parking on the tracks.

It is safe to turn on a green arrow and remember to only U-Turn where a U-Turn Permitted sign is displayed.

Overhead wires are live and trams are testing from Southport to Broadbeach

Overhead wires are live and trams are testing from the Gold Coast University Hospital Station at Parklands Drive to Broadbeach South Station.

Always cross at designated crossings and look both ways before crossing the road and light rail tracks.

Work this weekend

Scarborough Street and Nerang Street partial intersection closure

From 7:00pm Friday 28 February to 5:00am Monday 4 March, the northbound lane of Scarborough Street, Southport will be closed to through traffic from Young Street to Hinze Street for road construction and repair works ahead of final asphaltting.

Traffic control and detours via Lawson, Garden, Davenport and Hinze Streets will be in place. Local access to Scarborough Street businesses will be maintained via Young Street.

The northbound bus stop in front of the Southport Police station will be temporarily relocated 50 metres north past Hinze Street.

Work commencing 3 March 2014
