

Surfers Paradise Boulevard Closed Elkhorn Avenue to Cavill Avenue

From Wednesday 2 April 2014, Surfers Paradise Boulevard will be closed to traffic from Elkhorn Avenue to Cavill Avenue at 6:30pm each night to facilitate footpath construction.

Surfers Paradise Boulevard will be reopened to southbound traffic each morning.

Traffic changes:

- Surfers Paradise Boulevard will be closed to all southbound traffic from Elkhorn Avenue to Cavill Avenue from 6:30pm to 6:30am, Monday to Friday.
- Southbound traffic will be detoured to the Gold Coast Highway at Elkhorn Avenue or the Esplanade at View Avenue to return to Surfers Paradise Boulevard.
- Pedestrian and business access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.
- Alternative routes and redirections will be signed. Please drive to the conditions at all times during construction as points of access, temporary closures and changes to traffic flow will occur.

What to expect:

- Construction of the footpath will be undertaken in three stages:
 - Raising or lowering pit lids where required and demolition of existing footpath pavement
 - Pouring a base layer of concrete
 - Laying the final pavers
- Heavy machinery, such as jack-hammering will be used to facilitate construction.
- Installation of safety barriers and fencing to contain the construction area.
- Construction noise, vibration and dust. Every effort will be made to minimise these impacts.
- Construction work will also be carried out between 6:30am and 6:30pm, Monday to Saturday.
- Timing of this work is subject to weather conditions and construction constraints.

Night Works:

- Night works will be required as part of these works to minimise the impact on businesses, pedestrians and traffic.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
