

# Weekly Construction Update #102

Week commencing 31 March 2014

## Get Ready, Get Set, Go!

Remember to obey all signs and signals at all times.

U-turns are only legal where there is a sign indicating U-Turn Permitted.

## Overhead wires are live and trams are testing from Southport to Broadbeach

Overhead wires are live and trams are testing from the Gold Coast University Hospital Station at Parklands Drive to Broadbeach South Station.

Always cross at designated crossings and look both ways before crossing the road and light rail tracks.

### **Work this weekend**

From 7:00pm Friday 28 to 5:00am Saturday 29 March the northbound lane of Scarborough Street will be closed at the Nerang Street intersection ahead of final asphaltting.

Traffic control and detours will be in place with local access maintained via Young Street.

**Work commencing 31 March 2014**

## **Parklands**

From Thursday 3 April nightworks will occur to install escalator canopies at the Gold Coast University Hospital station. A lane closure will be required at Hospital Boulevard with entry maintained via Parklands Drive and exit via Hollows Drive.

Kerb, footpath, drainage and landscaping works including night works continue.

## **Southport**

### **Queen Street**

#### **From Wardoo Street to Nerang Street**

Finishing works continue including night works.

### **Nerang Street**

#### **Between Queen and Davenport Street**

Landscaping and finishing works including installation of electrical services in the footpath for feature lighting and construction of planter boxes continue. Night works will occur.

## **Between Davenport Street and Scarborough Street**

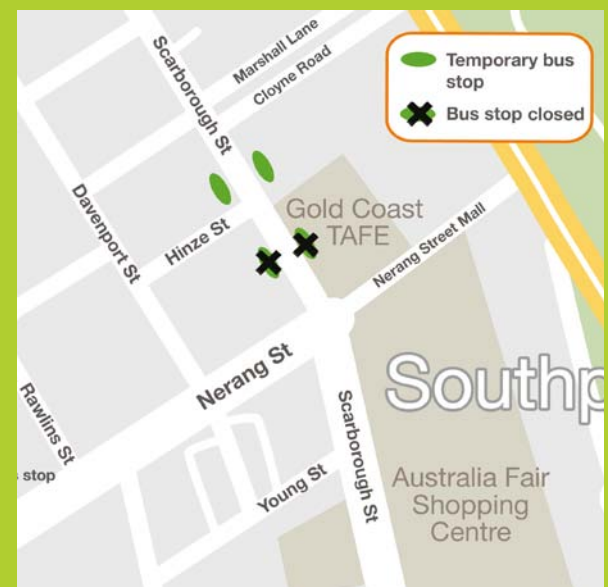

Paving, landscaping and station works continue including night works.

## **Scarborough Street**

### **Scarborough Street bus stop relocation**

The following temporary bus stop relocations are now in place.

- The southbound bus stop in front of the Gold Coast Institute of TAFE building is now located 100 metres north near Cloyne Road
- The northbound bus stop in front of Southport Police station is located 100 metres north between Hinze and Hicks Street.

## **Scarborough Street closures**

The northbound lane of Scarborough Street is temporarily closed between White and Queen Street while footpath, water main installation and finishing works occur.

Night closures of the southbound lane from Nerang Street to Queen Street will continue from 7:00pm to 5:00am, Monday to Friday.

Footpath and landscape works continue in Southport. The work involves jack-hammering and removing the current pavement, replacing and levelling underground service pit lids and laying a new concrete base and pavers. Day, night and weekend work will occur.

# Weekly Construction Update #102

Week commencing 31 March 2014

## Near Hinze Street

Day and night works will continue to complete underground service installation, new footpaths and bus stop construction.

Finishing works will continue including landscaping, concreting medians, underground services and footpath works.

## Between Nerang Street and Queen Street

Paving, concrete pours, demolition and retaining wall construction will continue from Lawson Street to Nerang Street on the eastern and western footpaths.

Extension of the bus stop near the RSL will occur and landscaping works continue.

## Queen Street

### From Scarborough Street to Barney Street

Night works will continue for landscaping and finishing works including asphaltting. Lane closures will occur.

## Nerang River

### Shared cycle and pedestrian bridge

Piling works continue on the northern side with changes to the pedestrian access on the boardwalk. Girder delivery and installation will continue at night with lane closures on the existing traffic bridge.

### Nerang River barge movements

The barge Leonora is on the northern side of the river to the east of the traffic bridge. Mariners are advised to use caution. Details are available on the [Maritime Safety Queensland website](#).

## Paradise Waters

### Gold Coast Highway

Intermittent night works along the Gold Coast Highway from the Sundale Bridge to Ferny Avenue intersection may occur. Single lane closures will be in place along the Gold Coast Highway.

Landscape works continue along Commodore Drive.. Lane closures may occur. Finishing and station works continue.

## Surfers Paradise

### Overhead wires are live and trams are testing from Southport to Broadbeach

Overhead wires are live and trams are testing from the Gold Coast University Hospital Station at Parklands Drive to Broadbeach South Station.

Always cross at designated crossings and look both ways before crossing the road and light rail tracks.

### Asphaltting night works on Surfers Paradise Boulevard

Night works to complete the final asphaltting along Surfers Paradise Boulevard will occur from Monday 31 March:

- Cavill Avenue to Beach Road

From Wednesday 2 April:

- Ocean Avenue to Elkhorn Avenue
- Beach Road to Hamilton Avenue

Surfers Paradise Boulevard will be closed to southbound traffic each night. Local access will be maintained under traffic control, including access to Orchid Avenue via Elkhorn Avenue.

## Ferny Avenue to View Avenue

Finishing works, including asphaltting, kerbing, footpaths and landscaping continue. Night and weekend works will occur. Station works continue.

The southbound bus stop on the Gold Coast Highway at Ocean Avenue has been temporarily relocated 100metres north, adjacent to Golden Gate. Services will not be affected.

### Surfers Paradise Boulevard closed from Staghorn Avenue to Cypress Avenue

From Sunday 30 March Surfers Paradise Boulevard will be closed to traffic from 6:30pm to 6:30am, Sunday to Friday, from Ocean Avenue to Staghorn Avenue for up to two weeks to facilitate footpath construction works.

### Surfers Paradise Boulevard closed from Palm Avenue to Cypress Avenue

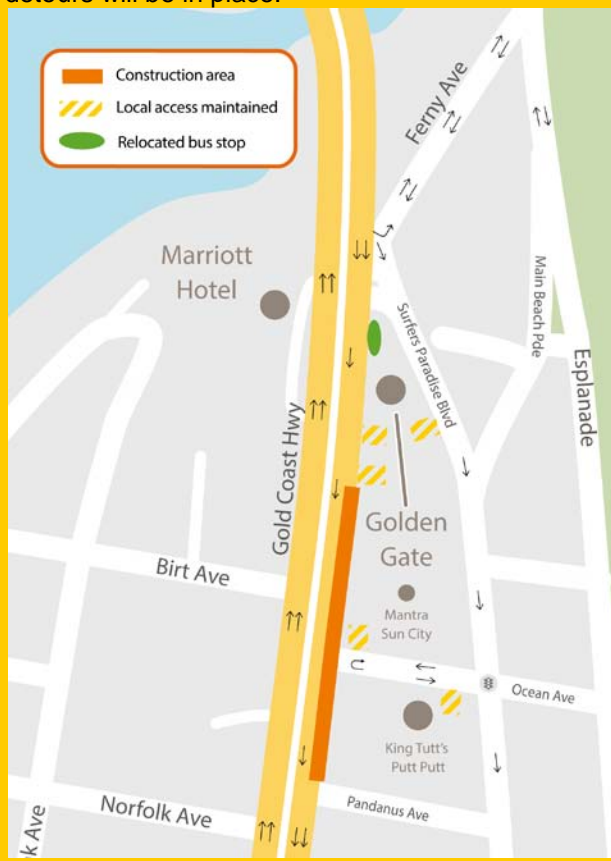

From Tuesday 1 April Surfers Paradise Boulevard will be closed to traffic from Palm Avenue to Cypress Avenue for up to one week to facilitate footpath construction works.

## Traffic Changes on the Gold Coast Highway and Ocean Avenue

Construction continues to install a right turn lane from the Gold Coast Highway northbound into Ocean Avenue. The Gold Coast Highway is reduced to one lane southbound from Ferny Avenue intersection to Pandanus Avenue. Ocean Avenue is reopened to two-way traffic but closed at the Gold Coast Highway intersection (see map).

Day, night and weekend work will occur. Traffic detours will be in place.

### View Avenue to Elkhorn Avenue

Night works continue to complete footpath subgrade installation along the western footpath.

### Elkhorn Avenue to Trickett Street

#### Surfers Paradise Boulevard closed from Elkhorn Avenue to Cavill Avenue

From Wednesday 2 April Surfers Paradise Boulevard will be closed to traffic from 6:30pm to 6:30am, Sunday to Friday, from Elkhorn Avenue to Cavill Avenue to facilitate footpath construction works.

Footpath and landscaping works continue along Surfers Paradise Boulevard. The work involves jack-hammering and removing the current pavement and driveways, replacing and levelling underground service pit lids and laying a concrete base. Day, night and weekend work will occur.
