

Beach Road Closed Westbound

From Monday 28 April 2014, Beach Road will be closed to westbound traffic at the intersection with Surfers Paradise Boulevard for up to two weeks to facilitate footpath construction.

Traffic changes:

- Beach Road will be closed to all westbound traffic from Surfers Paradise Boulevard and Hanlan Street.
- Westbound traffic will be detoured to Surfers Paradise Boulevard to return the Gold Coast Highway.
- Access to Cavill Avenue will be maintained via Beach Road (see map).
- Local access for businesses and residents will be maintained via the Gold Coast Highway (see map).
- Pedestrian and business access routes will be maintained around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.
- Alternative routes and redirections will be signed. Please drive to the conditions at all times during construction as points of access, temporary closures and changes to traffic flow will occur.

What to expect:

- Construction of the footpath will be undertaken in three stages:
 - Raising or lowering pit lids where required and demolition of existing footpath pavement
 - Pouring a base layer of concrete
 - Laying the final pavers
- Heavy machinery, such as jack-hammering will be used to facilitate construction.
- Installation of safety barriers and fencing to contain the construction area.
- Construction noise, vibration and dust. Every effort will be made to minimise these impacts.
- The majority of construction work will be carried out between 6:30am and 6:30pm, Monday to Saturday.
- Timing of this work is subject to weather conditions and construction constraints.

Night Works:

- Night works will be required as part of these works to minimise the impact on businesses, pedestrians and traffic.
- During night works vehicles will use “quacker” (quieter) style reversing alarms to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
