

# Weekly Construction Update #108

Week commencing 12 May 2014

## Get Ready. Get Set. Go!

### **Don't stop on the tram tracks!**

When turning at a green light, remain in the traffic lane until other vehicles have passed and watch for trams in both directions.

Do not wait on the tracks for cars to pass. Penalties now apply for parking on the tracks.

It is safe to turn on a green arrow and remember to only U-Turn where a U-Turn Permitted sign is displayed.

## Overhead wires are live and trams are testing from Southport to Broadbeach

Overhead wires are live and trams are testing from the Gold Coast University Hospital Station at Parklands Drive to Broadbeach South Station.

Always cross at designated crossings and look both ways before crossing the road and light rail tracks.

### **Works this weekend**

From Friday 9 May to Sunday 11 May works will continue to pour new driveway entrances to the Nerang Street Mall at Scarborough Street, Southport. Access will be maintained via Marine Parade.

Works will continue at the intersection of Ocean Avenue and the Gold Coast Highway, Surfers Paradise this weekend including night works.

Paving works will continue on Surfers Paradise Boulevard all weekend.

### **Work commencing 12 May 2014**

## **Parklands**

## **Smith Street Motorway night lane closures**

From Monday 12 May 2014 night works to install feature lighting on the Smith Street bridge will occur with lane closures occurring on the Smith Street Motorway.

Detours via Olsen Avenue and Parklands Drive will be in place.

## **Southport**

### **Queen Street**

#### **From Wardoo Street to Nerang Street**

Night works will continue to complete CCTV installation and finishing works.

Demolition of the property used as a site office at 262 Queen Street will continue.

### **Nerang Street**

#### **Between Queen and Davenport Street**

Landscaping and finishing works continue. Night works and lane closures may occur.

#### **Between Davenport Street and Scarborough Street**

Landscaping, seat construction and station works continue. Night works will occur and access will be restricted during finishing works of the local access road.

### **Scarborough Street**

Footpath and landscape works continue in Southport. The work involves jack-hammering and removing the current pavement, replacing and levelling underground service pit lids and laying a new concrete base and pavers. Day, night and weekend work will occur.

### **From Nerang to Hicks Street**

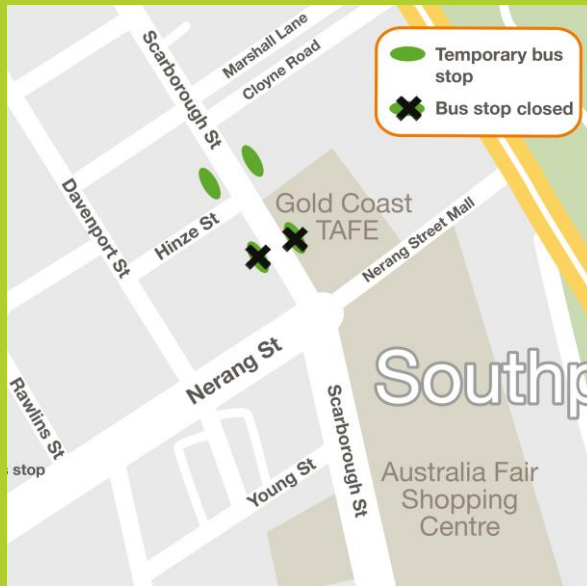

Day and night works will continue to complete underground service installation, footpaths works and bus stop construction.

Finishing works will continue including landscaping, concreting medians, underground services and footpath works. Night works and lane closures will occur for road repair works at the intersection of Hinze and Scarborough Streets.

## Scarborough Street bus stop relocation

The following temporary bus stop relocations are now in place.

- The southbound bus stop in front of the Gold Coast Institute of TAFE building is now located 100 metres north near Cloyne Road
- The northbound bus stop in front of Southport Police station is located 100 metres north between Hinze and Hicks Street.

## Between Nerang Street and Queen Street

Paving, landscaping and finishing works continue from Lawson Street to Nerang Street on the eastern and western footpaths. Lane closures will occur on Scarborough Street at night to complete asphaltting and complete works on awnings.

## Queen Street

### From Scarborough Street to Barney Street

Day and night works will continue for landscaping, finishing works. Retaining wall construction and footpath works.

## Nerang River

### Shared cycle and pedestrian bridge

Access changes may be required on the pedestrian boardwalk under the bridge and some night works will occur for landscaping preparation works.

### Nerang River barge movements

The barge Leonora is on the northern side of the river to the east of the traffic bridge. Mariners are advised

to use caution. Details are available on the [Maritime Safety Queensland website](#).

## Paradise Waters

### Gold Coast Highway

[Night works to install the centre median along the Gold Coast Highway from Sundale Bridge to Admiralty Drive continue](#) this week. Night works will also take place in the centre median of the Gold Coast Highway at Ferny Avenue intersection. Single lane closures will be in place along the Gold Coast Highway. Landscape works continue along Commodore Drive. Lane closures may occur. Finishing and station works continue.

### Main Beach

Works to install underground electrical services in the footpath and roadway will take place next week from 6:30am to 6:30pm, Monday to Saturday. Works will take place on Waterways Drive, Rankin Parade, Cronin Street and Breaker Street.

## Surfers Paradise

### Overhead wires are live and trams are testing from Southport to Broadbeach

Overhead wires are live and trams are testing from the Gold Coast University Hospital Station at Parklands Drive to Broadbeach South Station.

Always cross at designated crossings and look both ways before crossing the road and light rail tracks.

### Ferny Avenue to View Avenue

## We're powering up and testing for your safety

Keep a safe distance from overhead wires.

Never drive, ride, skate or walk along the tracks.

Always look both ways and listen for trams.

Follow the road rules - remember U-Turns only permitted where signed.

Never queue or park across the tracks.

Always use designated pedestrian crossing points.
