

Weekly Construction Update #109

Week commencing 19 May 2014

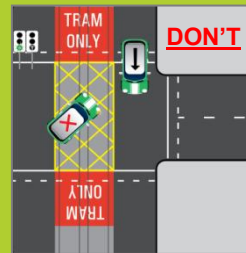

Get Ready, Get Set, Go!

Don't stop on the tram tracks!

When turning at a green light, remain in the traffic lane until other vehicles have passed and watch for trams in both directions.

Do not wait on the tracks for cars to pass. Penalties now apply for parking on the tracks.

It is safe to turn on a green arrow and remember to only U-Turn where a U-Turn Permitted sign is displayed.

Overhead wires are live and trams are testing from Southport to Broadbeach

Overhead wires are live and trams are testing from the Gold Coast University Hospital Station at Parklands Drive to Broadbeach South Station.

Always cross at designated crossings and look both ways before crossing the road and light rail tracks.

Safety is a shared responsibility

We're powering up and testing for your safety

- Keep a safe distance from overhead wires.
- Never drive, ride, skate or walk along the tracks.
- Always look both ways and listen for trams.
- Follow the road rules - remember U-Turns only permitted where signed.
- Never queue or park across the tracks.
- Always use designated pedestrian crossing points.
