### Southport's Cafe Hub

Southport is currently undergoing a dramatic transformation and is one of the Gold Coast's fastest growing suburbs.

On the back of projects including the [Broadwater Parklands](#), [Gold Coast light rail](#), and the recently approved [China Town development](#), Southport is attracting exciting new businesses and has seen a shift towards fashionable cafes and nightlife.

Nerang and Davenport Streets are enjoying a renaissance with new businesses offering trendy venues, meals, cocktails and tapas.

[42Fifteen](#) on Davenport Street is all about great food, friendly service and loving Southport. Taking their name from the postcode, the cosy café is a great place to read the paper over lunch or grab a meal with friends.

Just around the corner, [Watch the Gap](#) brings a Melbourne-edge to Nerang Street. Boasting a light rail theme, Watch the Gap's interior design features graffiti walls, traffic lights and handrails. The trendy and friendly staff can serve you some of the best coffee in Queensland.

Right next door, the newly opened restaurant-bar, [Not Tonight](#), offers a laidback yet classy feel as well as excellent tapas and cocktails. Not Tonight is the perfect venue for lunch or after work drinks and if you're after a more substantial meal, they have options to satisfy all appetites.

Cross Nerang Street to [Percy's Corner](#), the newest café to the precinct, for delectable coffee and a sumptuous menu. Sarah and the team will delight you with their top quality fare and friendly

service.

Visit the Davenport and Nerang Street café hub to enjoy the exciting new atmosphere and stay ahead of the trend.
