

February Love Our City - Love Your Local

Attractions attract in Surfers Paradise

Internationally renowned, locally loved and with a history of providing holiday memories for generations of Australians, Surfers Paradise has grown to cater to almost whatever you can imagine.

Minutes from the white sand and crystal blue waters of one of Australia's most famous beaches, Surfers Paradise Boulevard is a sight-seer and thrill-seeker's delight.

Your adrenalin will be pumping at the **Vomatron and Sling-shot** thrill rides at the northern end of Surfers Paradise Boulevard. Expand your horizons at **Infinity** inside **Chevron Renaissance**, where you can wind your way through maze-like illusions and multi-sensual environments. Crossing the boulevard, explore your spooky side at **Dracula's Haunted House**, where your spine will tingle and hairs stand on end as you move through five levels of labyrinths, a museum of weird collectibles, dares doors and state of the art special FX.

Farther down the boulevard try your flying skills at the **Jet Flight Simulator**, where experienced pilots will guide you through flying a commercial class simulated Boeing 737-800NG. Open to the public and catering from novices to professionals, the Jet Flight Simulator has trained more than 50 commercial pilots.

Continuing the simulated reality theme, the **7D Cinema** takes 3D to the extreme. Evocative in-theatre wind, motion, vibration, water spray, bubbles, as well as special effects all synchronised to a 3D film combine to give the illusion of a true-to-life experience of roller-coasters, space travel and a myriad of other thrilling and

creepy films.

At the southern end of the boulevard stands the tallest residential building in the Southern Hemisphere, Q1. Travel up one of the world's fastest elevators to Level 77 in 42 seconds and experience **Skypoint observation deck** with breathtaking views of the Gold Coast and its idyllic hinterland. For the more adventurous, you can brave Australia's highest external building climb with **Skypoint Climb** and edge your way to breathtaking 360 degree views.

From the adrenalin pumping, to the spooky, the mind blowing, and the beautiful, Surfers Paradise boasts world-class attractions for the young to the young at heart and all within walking distance of the central hub of Cavill Avenue Mall.

Don't forget you get two hours free parking at the **Bruce Bishop car park** centrally located in Surfers Paradise with entrances off Beach Road and Ferny Avenue.
