

Construction commencing Elkhorn Avenue to Cavill Avenue

From Thursday 7 February 2013, major construction along Surfers Paradise Boulevard between Elkhorn Avenue and Cavill Avenue will commence.

Surfers Paradise Boulevard will be closed to southbound through traffic between Elkhorn Avenue and Cavill Avenue.

Traffic changes:

Local access northbound will be maintained under traffic management via Cavill Avenue for up to six weeks for waste collection and deliveries. Following this, alternative loading zones will be provided at the Elkhorn Avenue and Cavill Avenue intersection ends of the block for up to four months (see map).

Alternative routes and redirections will be signed. Please drive to the conditions at all times during construction as points of access, temporary lane closures and changes to traffic flow will occur.

What to expect:

- Installation of safety barriers, fencing and banner mesh to contain the construction area.
- Heavy machinery, such as excavation and crane movements to facilitate construction activities.
- Construction will involve relocating services, above and below ground, such as gas, water and electricity, and upgrading storm water drainage.
- Construction noise, dust and vibration at times. Every effort will be made to minimise these impacts.
- Pedestrian access routes will be maintained around the construction area (see map). Temporary footpath closures near the active work area may occur and alternative routes will be signed. Access to businesses will be maintained at all times.
- Vegetation removal to accommodate the constrained corridor and to facilitate construction activities.
- Foundation and track laying along the western side of Surfers Paradise Boulevard.
- The majority of construction work will be carried out between 6:30am and 6:30pm, Monday to Saturday.
- Timing of this work is subject to weather conditions and construction constraints.

Night works:

From February to March 2013, night works will be required to facilitate major underground service upgrades. Works will be carried out between 6:30pm and 6:30am, Sunday to Thursday, to minimise the impact on surrounding businesses.

We apologise for any inconvenience and thank you for your patience during construction.
