

# Gold Coast Rapid Transit

## Full closure of the northern section of Garden Street, Southport

Tuesday 5 – Saturday 23 July 2011

Works to profile and upgrade the road surface on the southern side of Nerang Street between Garden Street and Davenport Street will be undertaken in July 2011. Nerang Street access to / from Garden Street will be temporarily closed during these works and some temporary on-street parking removal will be required in Garden Street.

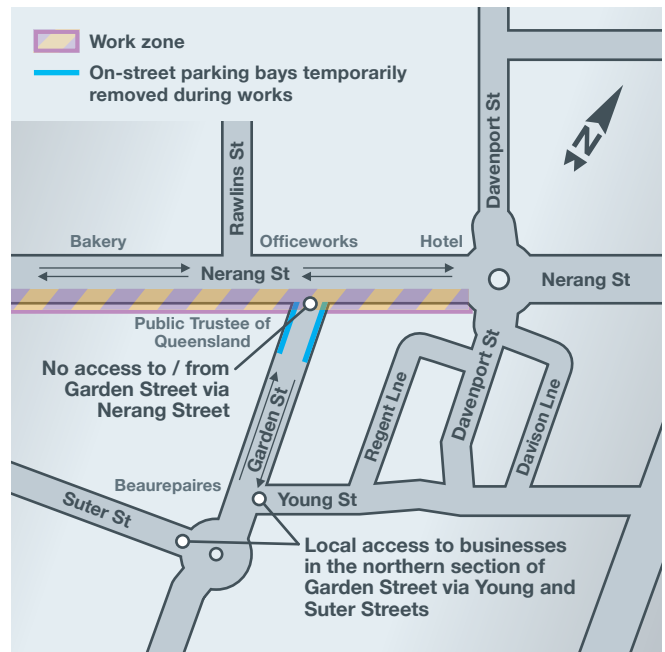

### Works will involve:

- Profiling / upgrading the road surface on the southern side of Nerang Street between Garden Street and Davenport Street (refer to map). These works will require the use of a large road profiling machine.
- Undertaking kerb and channeling works on the southern side of Nerang Street between Garden Street and Davenport Street.

### What to expect:

- Access to / from Garden Street via Nerang Street will be unavailable to all traffic during these works.
- Driveway and pedestrian access to businesses in Garden Street will be maintained. Access for motorists will be available via Young Street, Suter Street and several other adjoining streets.
- All traffic changes will be signed and traffic controllers will be in place to direct motorists during the works.
- Several on-street parking bays in the northern section of Garden Street will be temporarily removed during works to allow motorists to perform a u-turn before the road closure point (refer to map). These parking bays will be reinstated following the completion of works on 23 July 2011.
- Pedestrian access on Nerang Street and Garden Street will be maintained at all times.
- There may be some localised noise, dust and vibration during works.

All efforts will be made to keep disruption to a minimum. We thank you for your patience and cooperation.
