

# Gold Coast Rapid Transit

June 2010

## Local Contractors and Suppliers Briefing Gold Coast City

# Welcome

Australian Government

Queensland Government

# Purpose of the event

- Update on the progress of project delivery
- Explain our plans to maximise local participation on the project
- Provide insight into the requirements for businesses to pursue opportunities on government projects
- Demonstrate how principle contractors engage sub-contractors and suppliers
- Provide an opportunity to network and ask questions

# Probity
