

Local industry participation

Summary

Anna Carroll

Manager, Gold Coast Rapid Transit
Corporate and Communications

Summary of key points

- The project is real and it's moving ahead quickly
- We understand the importance of local industry engagement for the Gold Coast economy
- There are potential opportunities available for prepared operators
- We are not the only big project coming to the Gold Coast, we hope to be a stepping stone onto other large government projects
- We encourage you to register online (guide on your seats)
- A link to the slides and photos will be sent out Thursday
- We are guided by your feedback – please complete the survey
