

GOLD COAST UNIVERSITY HOSPITAL STATION SHELL EARLY WORKS

Night works will be carried out on University Drive and Parklands Drive, between Olsen Avenue and University Drive, to construct new road pavement and line marking.

Nightly as required from Monday 7 to Wednesday 23 March 2011
between 6.00pm and 5.00am.

What to expect:

- Construction activities on University Drive and Parklands Drive, between Olsen Avenue and University Drive, including:
 - Construction of new road pavement
 - Line marking.
- Minor delays on University Drive and Parklands Drive to allow for the delivery and removal of plant.
- Access into and out of Griffith University via University Drive will remain available.
- Cyclists and pedestrians will still be able to access the university via the pedestrian detour along Parklands Drive and through Griffith University.
- Some noise from reversing beepers from machinery.
- Night works.

What we will do:

- Provide traffic control to assist motorists and pedestrians.
- Limit reversing movements where possible.
- Minimise noise where possible.

Please note, several temporary full road closures on Parklands Drive between Olsen Avenue and University Drive will also be required in March during the above mentioned timeframe during night works. Detailed information on these closures will be provided prior to the works.

For further construction information, please phone 1800 967 377 or visit the project website at www.goldcoastrapidtransit.qld.gov.au.

Keep up to date with changing traffic conditions by contacting the 13 19 40 traffic hotline or visiting 131940.qld.gov.au

This schedule may change without notice due to wet weather, equipment and/or contractor availability.

Please slow down
Roadwork safety is your responsibility too
Look out - watch out - be aware
