

## GOLD COAST UNIVERSITY HOSPITAL STATION SHELL EARLY WORKS

Changed traffic conditions including a full temporary road closure will occur on Parklands Drive between Olsen Avenue and Alumni Place.

**Nightly Monday to Friday from Monday 20 June – Friday 1 July 2011 from 6.00pm to 5.00am.**

### What to expect:

- Full temporary closure of Parklands Drive between Olsen Avenue and Alumni Place.
- The University Drive left turn-in and turn-out movement westbound on Parklands Drive (towards Olsen Avenue) will remain available until 8.30pm each night with the full closure to occur after that through until 5.00am.
- Construction activities on Parklands Drive including placement of final asphalt layer, line marking and sign installation.
- Access into Griffith University to remain available via the Smith Street end of Parklands Drive into Engineering Drive and Alumni Place.
- Cyclists and pedestrians will still be able to access Griffith University and the Griffith University bus stop via the pedestrian detour along Parklands Drive and through Griffith University.

### What we will do:

- Provide traffic control to assist motorists and pedestrians.
- Divert bus services around these works.
- Limit reversing movements and minimise noise where possible.
